Ontario, Section 10 Deluxe, #2, Metal Cabinet, Unitized

Catalogue Page #: 7

Product Description

- + Pursuant to Section 10; for workplaces with 16-199 workers (at any one time)
- + Regulation first aid kits meet regulations required by each jurisdiction; regulations change on a continuing basis
- + For the most current regulations, refer to **Ontario's Ministry of Labour Health and Safety Department**
- + Requirements vary and are dependent on a number of factors including: maximum number of employees at the work site (or per shift), location of the place of employment/industry, type of industry and potential hazards, proximity or travel time to a medical facility
- + Unit boxes provide quick identification of first aid kit contents and maintain a neater, more attractive looking kit
- + With **standard bilingual "First Aid Kit" image**; also available with **custom image (minimum quantities required)**
